Walking Stick is a tax-exempt 501(c)3 educational organization dedicated to the restoration and preservation of aboriginal Judaic wisdom, culled from ancient and early-medieval Hebraic and Aramaic source texts and oral traditions. Our programs highlight the lesser-promulgated mystery wisdom of Judaism combined with ceremonies, sacred chant, storytelling, meditative journeying and entrancing movement, directed at helping participants to enrich their lives with the wisdom of the ancients and the inspiration of the land.

For more information regarding our upcoming events, our enriching and illuminating selection of lecture and music CD's and DVD's, and books, visit www.WalkingStick.org.
