

The Jewish Shamanic Wisdom Series Continues with...

## אֱלֹהִים Miracle דַּי

What exactly is a miracle? Is it what most of us presumes it is? Is it a supernatural occurrence just in the nick of time in response to an almost “yikes”? Or winning the lottery? Surviving a tragedy by way of an inexplicable event? Are there various guises in which miracles happen? Do miracles prove anything? Join us in learning the wisdom around miracles and what they are all about from the mystery traditions of a 4,000 year-old people whose continued existence itself is nothing short of a...well, a miracle.
