

The Jewish Shamanic Wisdom Series Continues with...

The Serpent, the Raven and the Frog

A Journey into the Mystery Wisdom of the Infinite Weave of The Three Concentric Worlds השלושה העולמות המוקפות

Ancient Jewish mystics taught us about the three dimensions of existence in which we operate simultaneously, the deeper understanding of which can help us better maneuver the challenging and sometimes arduous unfolding of our lives without losing sight of the gift and joy of living. Join us as we explore these rarely-studied and even lesser-understood life-lessons which our people's ancient wisdom keepers encapsulated for us within a singular cryptic parable.
